

About Consumers Union of Japan:

Consumers Union of Japan (CUJ) was founded in April, 1969.

It is a non-profit financially independent and politically bipartisan organization; CUJ is funded by membership fees and donations. The main concern of CUJ and its members is to realize a world of liberty and equality, a world free of economic, social and legal discrimination, and to preserve a safe and healthy environment for our children's future. CUJ pursues the following goals on behalf of all consumers: (1) to secure for ourselves and our families safe and healthy lives, (2) to establish systems/laws to protect the rights of consumers, (3) to promote social justice and economic fairness, (4) to support and empower consumers who care about the environment, (5) to cooperate with foreign consumer groups/organizations.
